To young men and young women in your school who love to sing: Talk to your friends, organize a quartet, see your vocal music teacher for details and participate in a day of fun and singing at Harmony Explosion 2012. For additional information, go to the Heart of America Chorus website at hoachorus.com , click on Harmony Explosion and go to the downloads for your announcement poster and other important information. As a curricular, co-curricular or as an extra curricular activity, materials (part dominate learning media recordings and sheet music) and coaching are available on request from The Heart of America Barbershop Chorus and/or the Kansas City Chorus of Sweet Adelines. You may also schedule a Harmony Explosion representative to come to your school and teach a class period on barbershop singing and demonstrate how easy it is to form a quartet and sing a song in the barbershop style without help or supervision from your teacher.
