Barber Shop Quartet Singing in America, Inc.

MEN: THIS BID'S FOR YOU

Like to sing? Would you like to be on the Music Hall stage with the HOA chorus a year from now? Whadda mean those guys are too good! They're just like you — and many of them got involved after sitting where you are now, and decided to visit the Kansas City Chapter.

That's all we ask you to do: drop in any Tuesday, at 7:30 p.m., in the Terrace Room of the Ward Parkway Shopping Center. We're basically a once-a-week hobby group, and the vast majority of the chapter members have no vocal training or musical background — just a love for harmonizing, with one of the most successful chapters in the world's largest all-male singing organization!

AND GUEST NIGHT IS COMING! You (and your family and friends) are invited to a special program for men who would like to know more about the Kansas City Chapter and the Barbershop Harmony Society (SPEBSQSA). The date is March 25, at the Ward Parkway Terrace Room. The HOA chorus, Rural Route 4 and other entertainment. You can sing along, or just listen.

For more information, call 353-2435, or 454-5621. See you March 25, or any other Tuesday night!

THE NEW TRADITION

It has been through many hours of hard work, a lot of love, and the support of family and friends that has made it possible for T.N.T., (The New Tradition) to receive the honor of being named 1985 International Champions, but if you were to ask them to characterize the road leading to their championship they would answer 'It was just plain fun'.

THE RURAL ROUTE 4

Back by popular demand (of their mothers), the Rural Route 4 are making their seventh appearance on the Kansas City show. But something new has been added to the the outfits of the part country, part city quartet. Worn proudly above their overalls are the fifth-place bronze medals of the Society, earned in international competition last summer at Minneapolis.

Tenor Don Kahl and baritone Jim Bagby live in suburban Kansas City. Lead Calvin Yoder and bass Willard Yoder live in Cass County Mo. All of them are proud members of the Heart of America Chorus.

Organized in 1971, the RR4 now have performed in 30 states and Canada, and are equally in demand for church services. Their first album, "Saturday Night and Sunday Mornin," was completed in December and is on sale in the lobby.
